

Certificate of Participation

We confirm that

Martin Picka

of the Company

PROSPERE s.r.o.

participated to the Training Course

Installer Training

Complimentary one-day product installation training, carried out by experts of our technical services team, is offered to all contractors, to achieve Authorized Installer status. These in-depth sessions cover a range of topics from mechanical handling and use of correct sealants, to our insulated roof panels, rooflights and the extensive choice of profiles offered within our Architectural Wall Panel range.

Lecturer: Ing. Rocco Traini
ISOPAN Technical Dep.

Praha - CZ
